

# L4000G4 Crop Nutrient Applicator

The New Leader L4000G4 is a culmination of the best of the best! The advanced design provides modular hydraulic packages to suit your spreading needs, plus the ability to add additional bins at any time.

## Precision Application

- Consistent and accurate spread patterns up to 90 feet
- Variable rate capabilities

## Ease of Use

- Bolted-in rear endgate for better structural integrity and multi-product capabilities

## Ease of Maintenance

- Spinner motor with stainless steel shaft sleeve

## Multi-Product Capabilities

- MultiApplier: Two product, variable rate spreading
  - Enhanced feedgate design for higher outputs
  - Stainless steel connections for easy removal
- MultiBin: Four product, variable rate spreading
  - Stainless steel connections for easy removal
  - Optional MicroBin Top Cover
- 304 stainless steel take-up brackets, hydraulic tank, and fenders

# L4000G4 Specifications
